NEW PRINCIPAL

"I have greatly enjoyed my first year as principal of Euclid High School. I look forward to working with our students and staff to continue to improve the educational experience we offer." Dr. Smiley

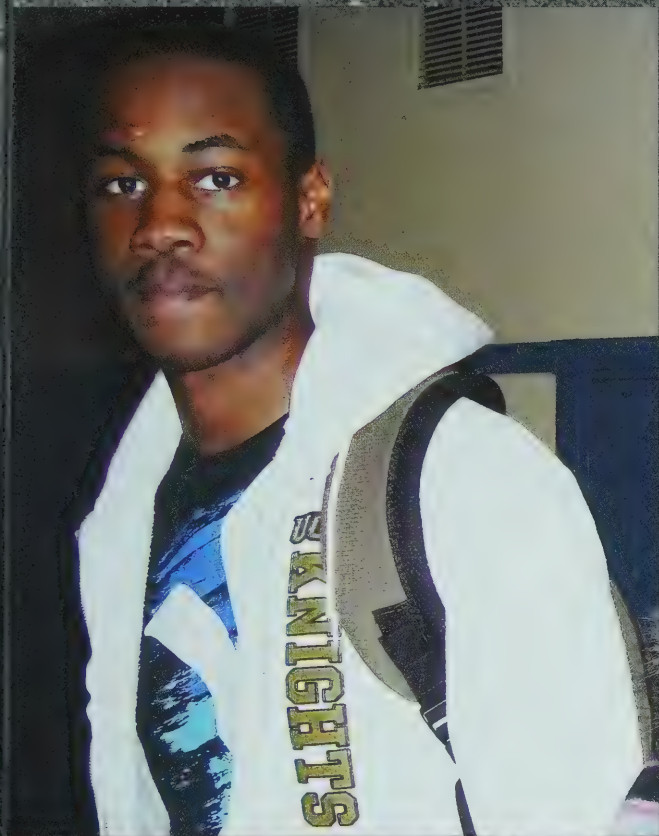

NEW FRIENDS

"At first it was a little stressful because I have to go all over the school. Now I have a system to getting to all my classes that works. Overall, I think it is a good thing." Senior David Leegrand

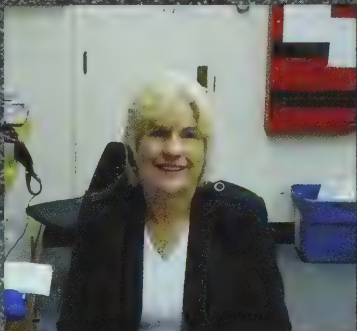

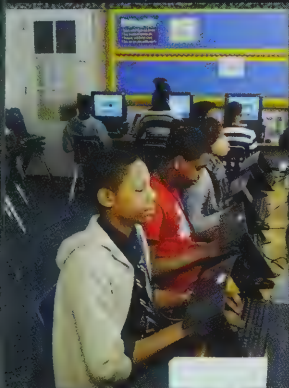

Euclid High School returned to one large unit this year after 6 years of operating under small schools. With unity came changes, including a new head principal, Dr. Smialek. Mr. Klein became the 9th grade principal, Mrs. Hopkins joined the high school as the 10th grade principal, Mrs. Spencer was the 11th grade principal and Mr. Seymour became the 12th grade principal. Mr. Hardaway acted as the Athletic Director and Director of Student Services. The students and staff embraced the new opportunities that the change brought. Students welcomed the opportunity to befriend all the new faces they saw in their classes. Teachers were also excited to meet new students. One thing was obvious: throughout this transition year, everyone was proud to be a part of THE Euclid High School.

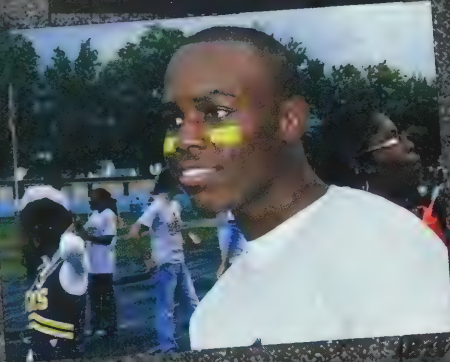

"We gotta make a change... it's time for us as a people to start makin' some changes." Tupac

PARTY TIME

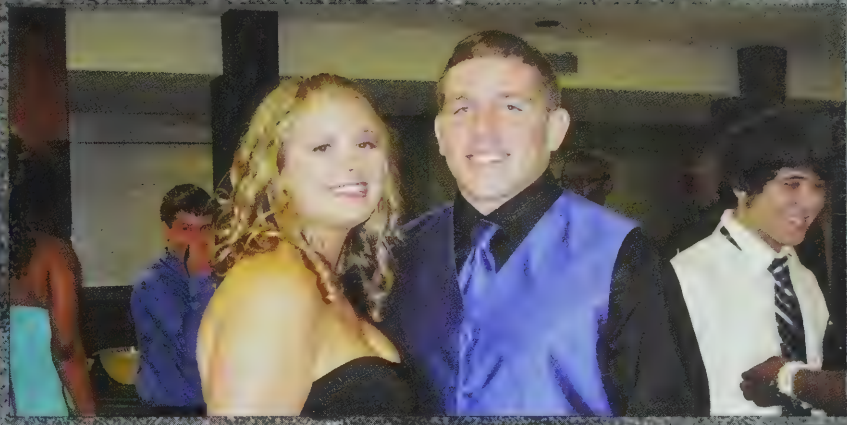

"Turn up the music. Let's get out on the floor. I like to move it, come and give me some more. Watch me getting physical, out of control. There's people watching me, I never miss a beat. From Evacuate the Dance Floor by Cascada

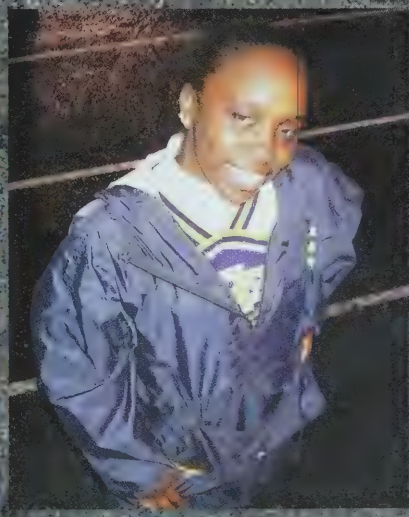

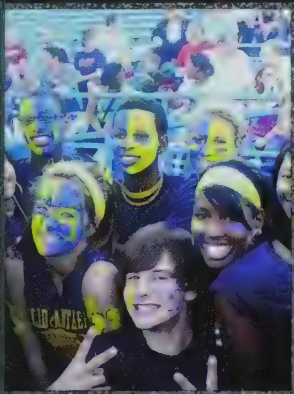

This year's Homecoming festivities provided a weekend Euclid students would not forget. On Friday night, the varsity football team played an exciting game against Mentor. During halftime, the band and cheerleaders entertained the crowd as seniors Juwan Rustin and Nicolette Mutlaq were crowned Homecoming King and Queen. On Saturday night, full of school spirit and dressed to impress, students headed to the Homecoming Dance. Upon entering the E-room students found themselves in the big city, complete with skyscrapers, the Brooklyn Bridge, and sparkling lights. The students danced the night away and proved Euclid is "the city that never sleeps."

"Street lights, big dreams all looking pretty, no place in the World that can compare," Jay Z

"School is like home. The athletes are our family. We are dedicated to each other. It is important to support our family and athletes. Freshman Chase Gomez

Panther Pride: It's the feeling of devotion, respect and belief in Euclid High School. Students showed day after day and week after week that they were full of Panther Pride. School spirit was at its height as students attended athletic events. Students wore Euclid gear, painted their faces, and wore blue and yellow bandanas. Fans were led in cheers, songs and dance by the marching band and the cheerleaders. The fans of the Euclid Panthers could be found supporting athletic teams throughout the year, from football to swimming to basketball to track. Euclid's athletic teams gave the fans a lot to cheer about. The fans easily observed the skill, strength and dedication of our many athletic teams... It was easy to be proud to be a Euclid Panther!

"She's cheer captain and I'm on the bleachers." Taylor Swift

Friendly Competition

Bring it On!

READY TO RUMBLE

"I'd like to be on the winning team. They say it's how you play the game, I don't think I'd like to lose, but I know I'd like to win from the winning team."
by One Z!

LIVE TO WIN

"Competition is the word summarized in just one word, and you know what I mean, friends competing with friends from competition by New Edition."

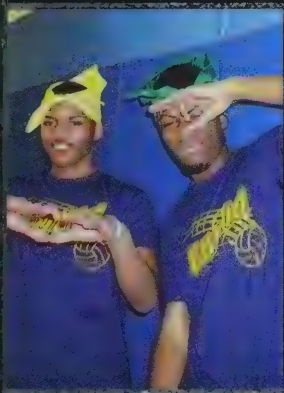

As the old saying goes, "There is nothing wrong with a little friendly competition." Students and staff at Euclid High School definitely embraced friendly competition. During the fall, the senior girls faced off against Junior girls in the annual powder puff game. Surviving the rain and cold weather, the girls fought to the end. The game ended in a tie. During the winter, the senior and Junior boys competed in the student volleyball game. With the help of their coaches, the seniors captured the win. Finally, the seniors challenged the faculty in the Senior vs. Faculty basketball game. The faculty outplayed the seniors and the faculty team captured the win. The Euclid students and staff pride themselves on unity, but the friendly competition unified the members of the senior and Junior class. Regardless of who won, the competition provided memories that the Junior and senior class would always remember.

"How would you like to see a little friendly competition?" Britney Spears & Madonna

The Best Around

Students show off amazing talent

TALENTED

"Wish us luck if you can't go, playin' at the talent show. An empty seat in the front row. We might even win this time, guys, you never know." from Talent Show by The Replacements

SKILLS

"I may not know it, but these are the moments that I'm gonna remember most. You'll just gotta keep going. And I gotta be strong, just keep pushing on. It's not about how fast I get there, it's the climb." from The Climb by Miley Cyrus

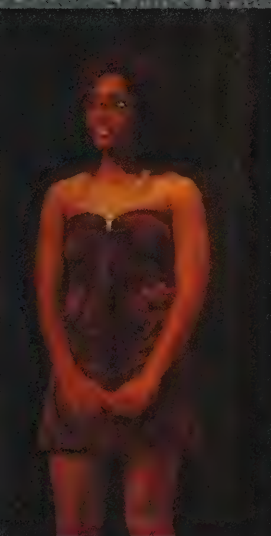

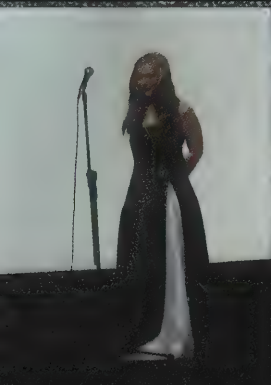

Every staff member, parent, student and visitor to our school agree on one thing: the talent at Euclid High School is phenomenal. Euclid High School showed off the talent and skills of its students in a number of ways. In the first ever Mr. and Ms. Euclid, students showcased their talents and personality. Competitors in the show were required to answer interview questions, were judged on their fashion, and performed their talent for the judges. When Ms. Euclid was crowned, Christina Myles received the honor. Later in the year, performers of all types, from singers to dancers, took to the stage in the annual Euclid Idol. After a very difficult decision, Optionz, consisting of Ben Jones, Ben McKenzie and Mikal Bostick, earned the 2010 title of Euclid Idol. Throughout the year, student exhibited their talents in drama, music and theater... Euclid's Got Talent!

"I got the skills to pay the bills, I got the skills to pay the bills." Beastie Boys

I'll be There for You

Friendship at the heart of Euclid

TURN TO YOU

"When I lose the will to win, I just reach for you. And when I need a friend, you're always on my side giving me faith, taking me through the night." my Christina Aguilera

I'LL BACK YOU UP

"A reminder thinking, sometimes we walk, sometimes we run away, but I know no matter how fast we are running, somehow we keep, you'll be there, somehow we keep with each other, but don't make a mistake."

Euclid High School prides itself on academic rigor, competitive sports teams and numerous clubs that impact the school and community in a positive way. However, as students and staff quickly realized, it is the friendships that are at the heart of Euclid High School. Events like Homecoming, basketball games, the MLK rally and graduation were made more memorable as the bonds of friendship developed. The respect and support that emerge with a friendship also gave students hope when things got difficult. In one of the truest signs of friendship, Shaquille Hairston stood by his friend when things got difficult. Shaquille nominated his friend and fellow basketball teammate Lorenzo Ellington for Fox 8's "Pay It Forward" segment. The students were featured on the show in early 2010. While students may not always remember everything they learned in school, they will remember the friendships that developed.

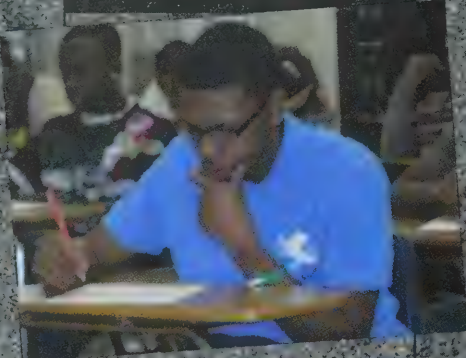

You stand by me, you believe in me like nobody ever has... you're my best friend." Tim McGraw

FRESHMAN YEAR

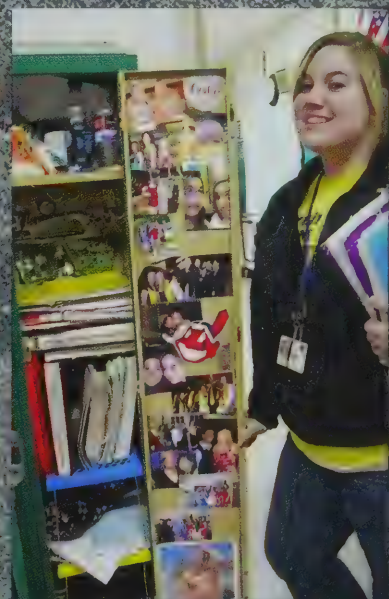

"I've got a blue and red Adidas bag and a humongous binder. I'm trying my best not to look like a minor niner. This is me in grade nine, from Grade 9 by the Barenaked Ladies."

SENIOR YEAR

"So make the best of this last and don't ask why. It's not a question but a lesson learned in time. I hope you had the time of your life." from Time of Your Life by Green Day.

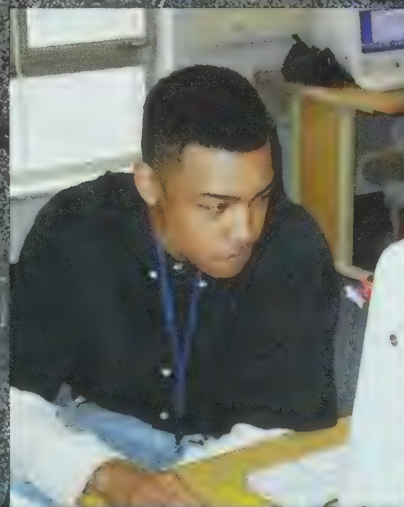

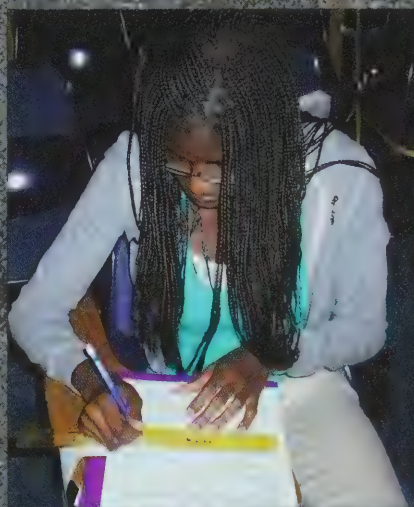

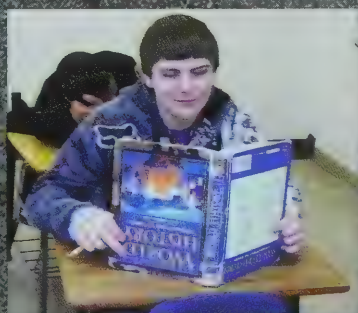

Receiving a quality education ranked high in importance for all students, and there is no better place than Euclid High School to get that education. Students focused on success in the many classes offered at the high school, including Financial Literacy, German, Environmental Science, African American History, Healthy Living, and Trigonometry. Students put extra effort into ensuring they passed the DGT tests and that they would walk the stage at graduation. Euclid High School students received nationwide attention due to the academic success of its students. Seniors Crystal Hill and Kristina Metcalf were recognized as semi-finalists in the National Achievement Scholarship Program. Additionally, many seniors received partial or full scholarship to colleges throughout the country.

Prompt, Prepared, Polite

This year the Euclid High School administration and staff focused on rewarding students for representing themselves in a positive way. Students who best represented the school motto "Prompt! Prepared! Polite!" were nominated by their teachers to attend a special breakfast with the principals. Students received donuts, juice and a Euclid t-shirt. Juniors and seniors also got to enjoy the benefits of open campus. The privilege of open campus allowed Juniors and seniors who had no referrals and a 3.0 GPA to leave school for lunch. Also, any student who had perfect attendance during the second quarter received free passes to all winter sports events. While students appreciated the recognition from the staff, they knew the real reward of all their hard work was in the quality education they earned.

Strut your Stuff!

FIERCE!

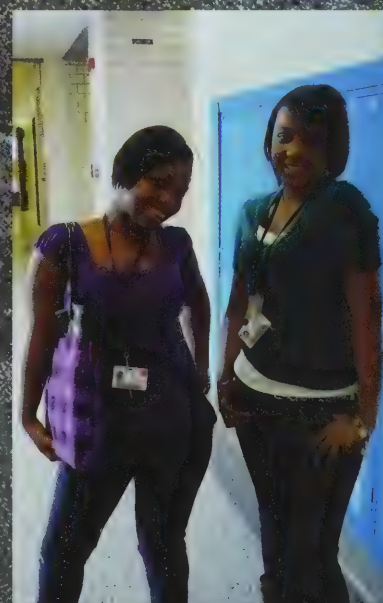

"I am, I'm too fabulous. I'm so fierce that it's so nuts. You are who you wear, it's true. A girl's just as hot as the shoes she choose." from Fashion by Lady Gaga

FABULOUS!

"Well she walks real steady. In her high heel steppers. She's got lots of style, she's got lots of class." from Looking Good, Feeling Good by R!P!PAU!

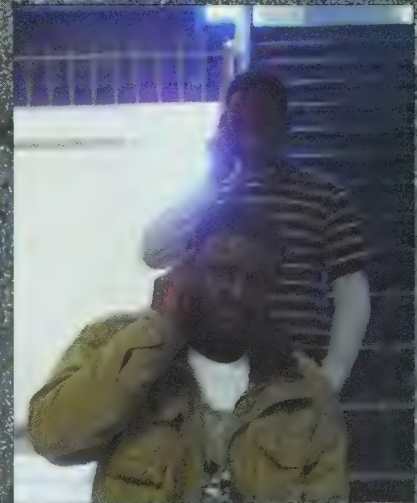

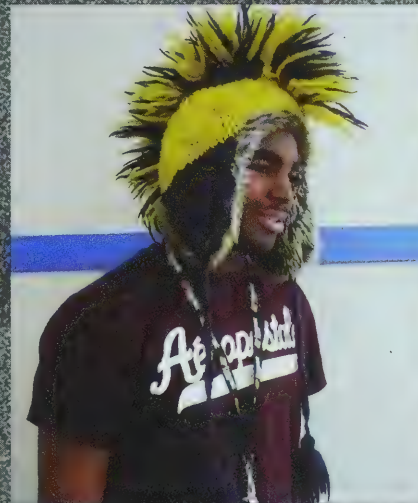

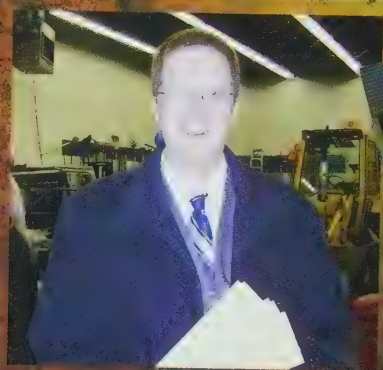

IN 2010, personal style was the biggest fashion trend. One way students showed their personality was through the way they dressed. Vibrant, bright colors could be seen on shirts, pants, jackets and even in hair. Skinny jeans, plaid shirts and scarves were all the rage. After school, students couldn't wait to put on their fur hats, stiletto shoes and knitted beret caps. Students often wore "throwback shirts", shirts that were also popular in the past, like The Beatles and Sesame Street. Student often wore their politics, with President Obama shirts being one of the latest trends. Many female students wore unique, fun makeup to add to their fashion style. In 2010, it seemed as long as you were yourself and put your personality into your clothing, you were in fashion.

"You can learn how to dress just by looking my FRESH." Jay-Z

Coach Gibbons preps the team

Where are #8 and #9?

Ready for the big game

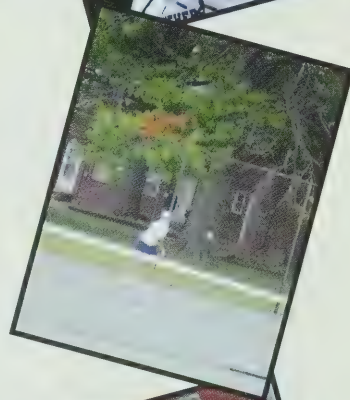

Hey, where's #7?

Jack Lardomita, a beloved member of the Euclid High School Football Team Staff, passed away in March of 2010. Mr. Lardomita served as a football coach's assistant and equipment manager for the team since joining the staff in 1979. Mr. Lardomita served the school most recently as a bookstore attendant. The team and school will miss this cherished member of our community.

All you need is love....

"In Da Club"

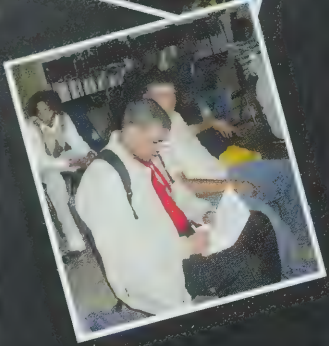

"Funny how time flies when you're having fun."

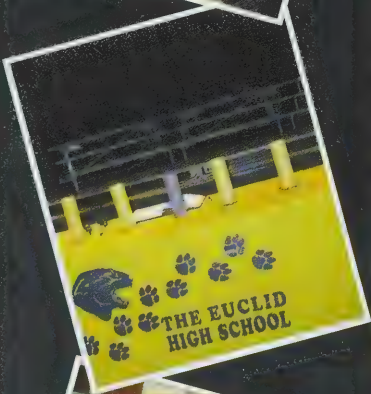

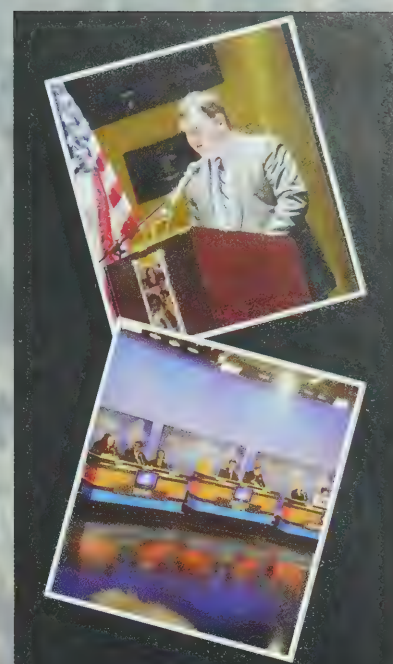

Academic success was also very important for students. Many clubs were created to celebrate that success. Academic Competition met to learn all areas of academics and learn trivia facts. They competed on News Channel 5s Academic Challenge game show. National Honors Society represented the students that challenged themselves academically and were successful in maintaining high grades. Students could also be involved in the Euclid Scholars Program. Euclid staff, parents, and students were very proud of the successes that members of these organizations continuously achieved.

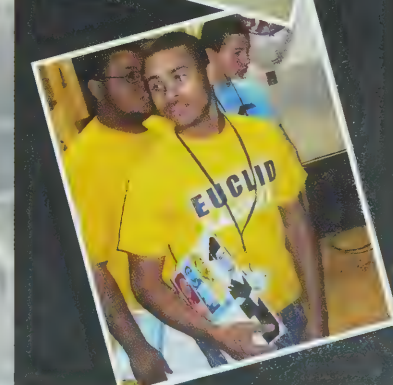

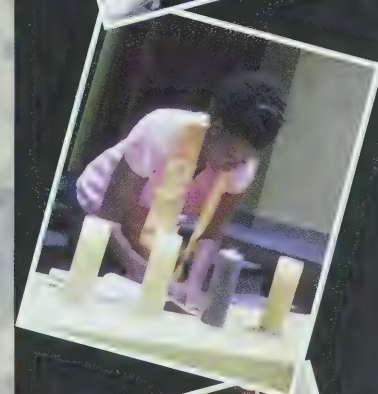

"I'm doing alright, getting good grades."

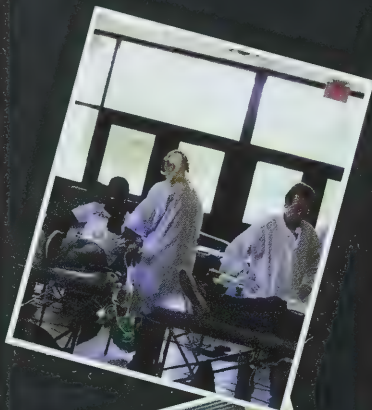

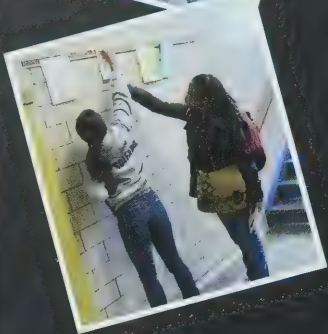

My future's so bright, I gotta wear shades."

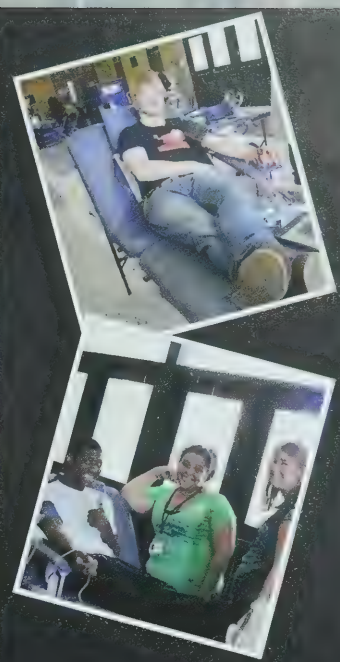

Student Council played a major role at Euclid High School. Members of Student Council kept busy all year planning activities that the student body would enjoy. They were responsible for planning not only the Homecoming crowning celebration at the game, but also the Homecoming Dance. Members of Student Council began decorating at 8:00 am. Throughout the year, members planned two blood drives, the student/faculty basketball game and numerous other events. Their hard work and dedication in implementing great activities certainly earned them the title of school leaders.

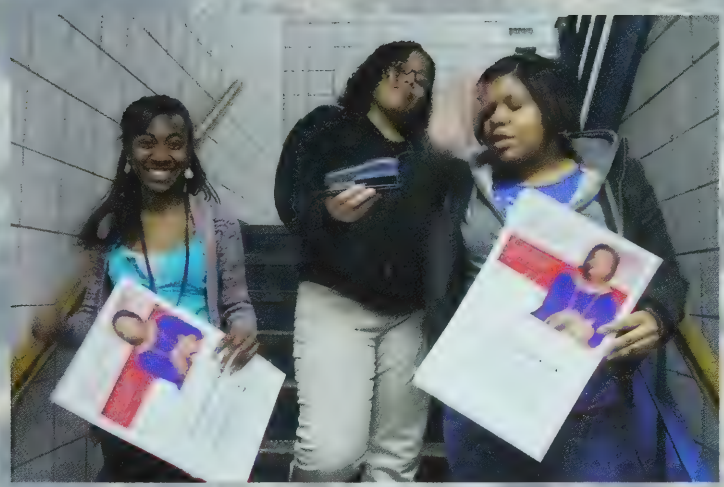

Student Council:

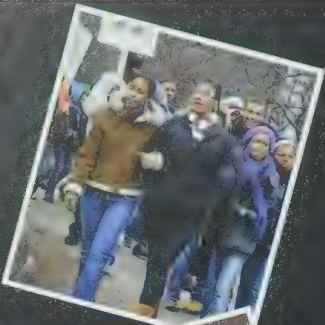

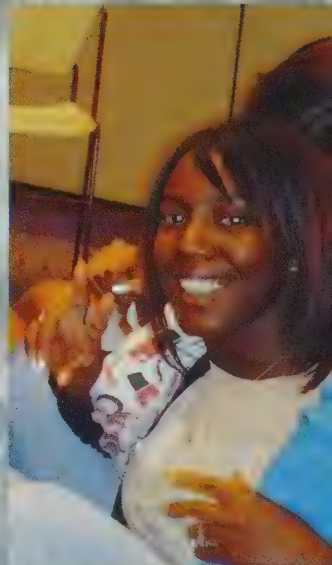

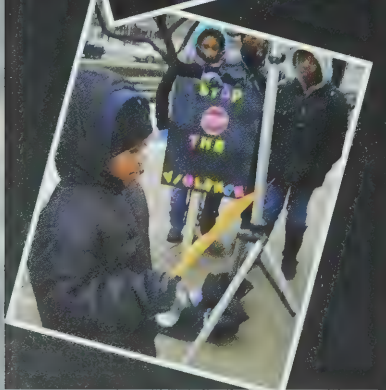

The Leader of the Pack

Eudlid students are determined to make a positive impact on their school, community and the world. Two clubs in particular were formed to join people of all races, ethnic groups and social classes to promote unity and non-violence. The Culture Club and Mediation worked together throughout the year to spread a message of peace and acceptance. Students participated in the annual Fashion Show, the Martin Luther King Day rally and the Stand Up Rally, as well as numerous other events, in order to expand their message to other students and community members.

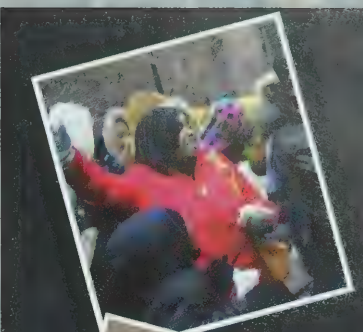

"Let us realize a change will only come

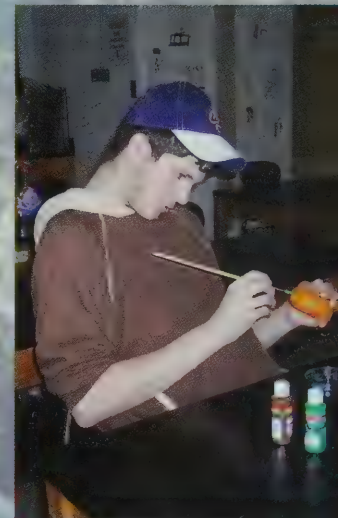

when we stand together as one."

To do something for others, something that is beyond yourself, is one of the greatest feelings one can experience. Members of SAVE, CRAVE, and SADD know that feeling. Members of the SAVE club appreciate the environment while working to preserve its beauty. While SAVE students could be found having fun while apple picking or painting pumpkins, they just as easily could be found cleaning up the local park. Members of SADD work to educate students about the consequences of destructive decisions. Through their efforts, many students made wiser decisions in their lives.

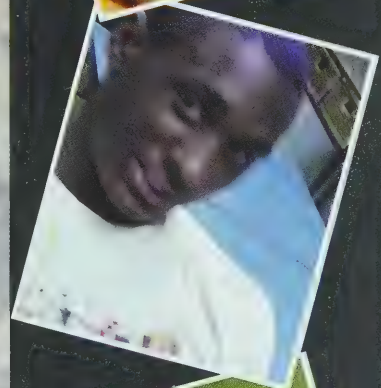

"If you wanna make the world a better place

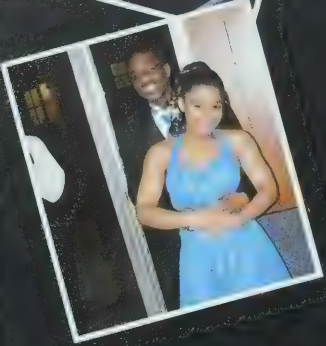

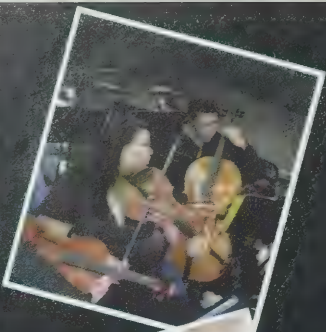

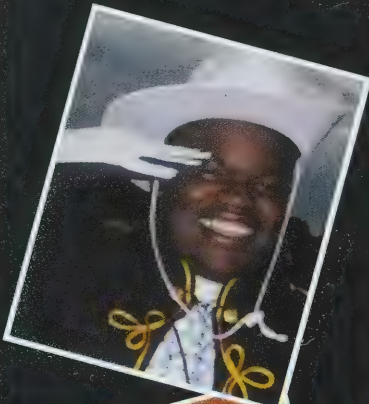

take a look at yourself and make a change."

Euclid has many students with amazing musical talent. The high school offered students an outlet to improve, practice and perform their musical talents. Students who played instruments could join the marching band, the jazz band or the orchestra. Students who enjoyed singing could join one of the many choirs including Varsity Chorale and Fortel. Students who were involved in band, orchestra or choir performed in many phenomenal concerts, at halftime shows, in Big Show, and even on Fox 8. The musical talent at Euclid High School is something everyone was proud of.

"Well we're all in the mood for a melody"

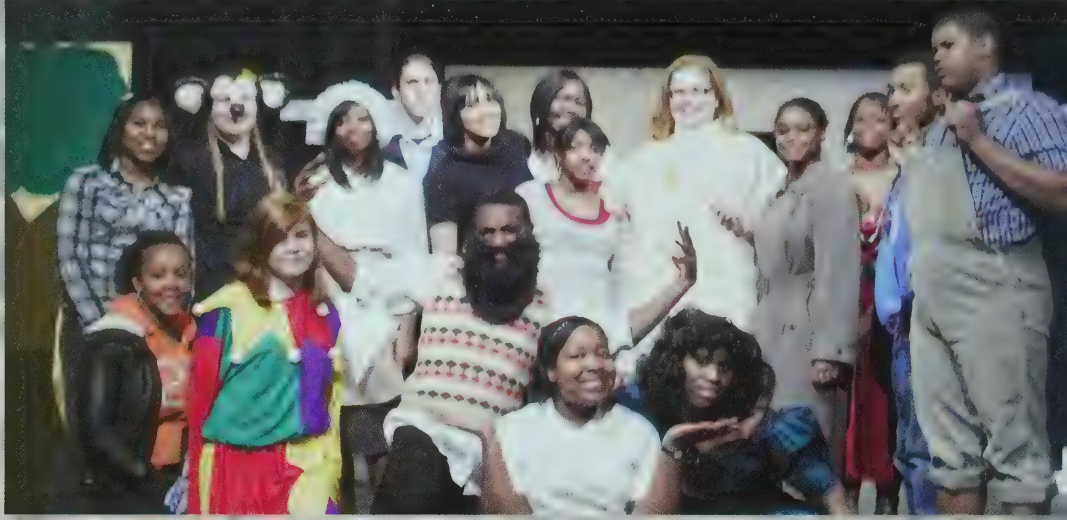

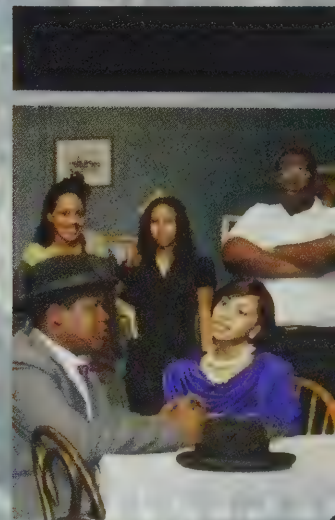

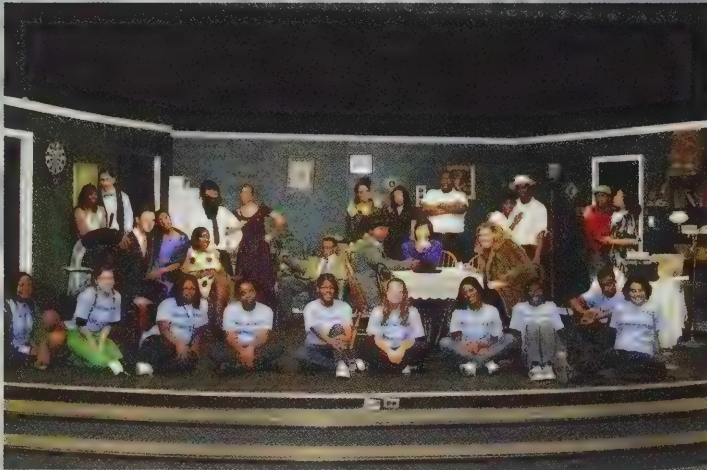

and you got us feeling alright."

Theater was an important part of many student lives. Students performed and produced three theater shows this year. "You Can't Take it With You" followed the hilarious Sycamore family as their daughter fell in love with a more straight laced boy, showing anything is possible when two families collide. The spring production of "Cinderella Confidential" followed two reporters as they tried to uncover who fit the glass slipper. The Big Show production of "Aida" follows a classic love story of two lovers who can't be together. The talent of the actors and crew left the audience awe.

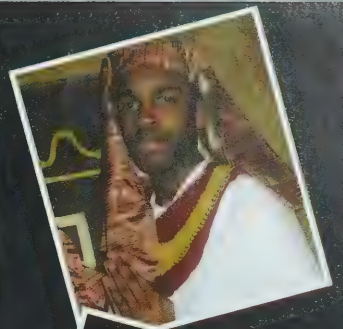

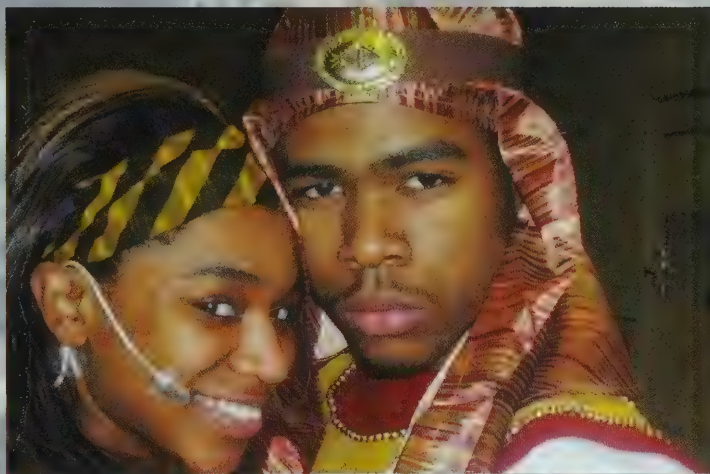

Embracing "all the drama in your life"

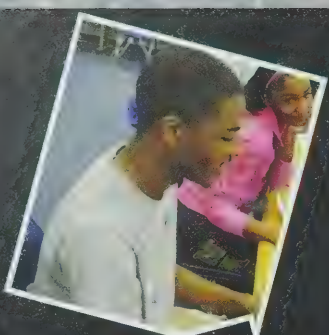

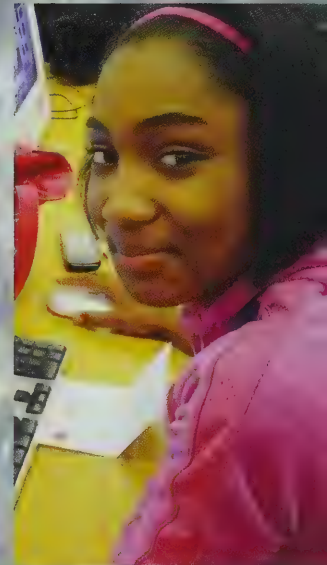

"A journey we can only dream of..."

Students who were involved in the Yearbook, Eucuyo and The Survey dedicated their talents to making sure students at Euclid were informed and would have memories for years to come. The Eucuyo staff created a student publication which exhibited the creative writing skills of Euclid's students. Members of The Survey kept students informed by publishing the school newspapers. The Euclidian staff dedicated their year to creating the performance yearbook. The dedication of these students will allow the rest of the student body to always remember the memories made at Euclid High School.

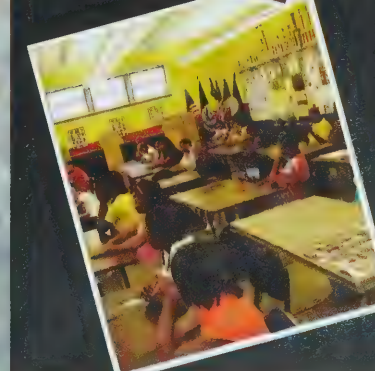

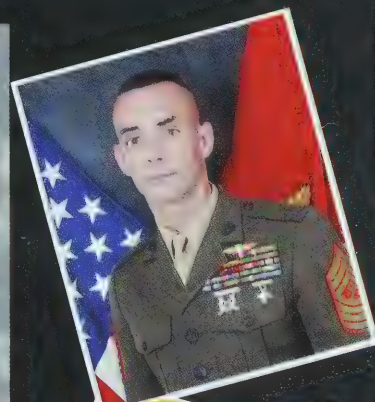

"Making a memory whenever we're together"

The NJROTC program at Euclid taught students the meaning of leadership, self discipline and working to obtain life goals. Students developed marksmanship by practicing with air rifles. Cadets faced inspection of their military uniforms. The members of NJROTC also competed in military drills. Additionally, there was a focus on academics, specifically military history, operations and safety. The cadets celebrated all their hardwork by holding a military ball at the end of the year. The lessons learned by SgtMaj Rethage and LCDR Morek would prove invaluable throughout life.

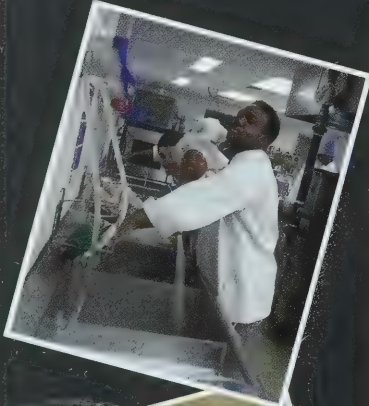

NJROTC: "Leadership and Discipline"

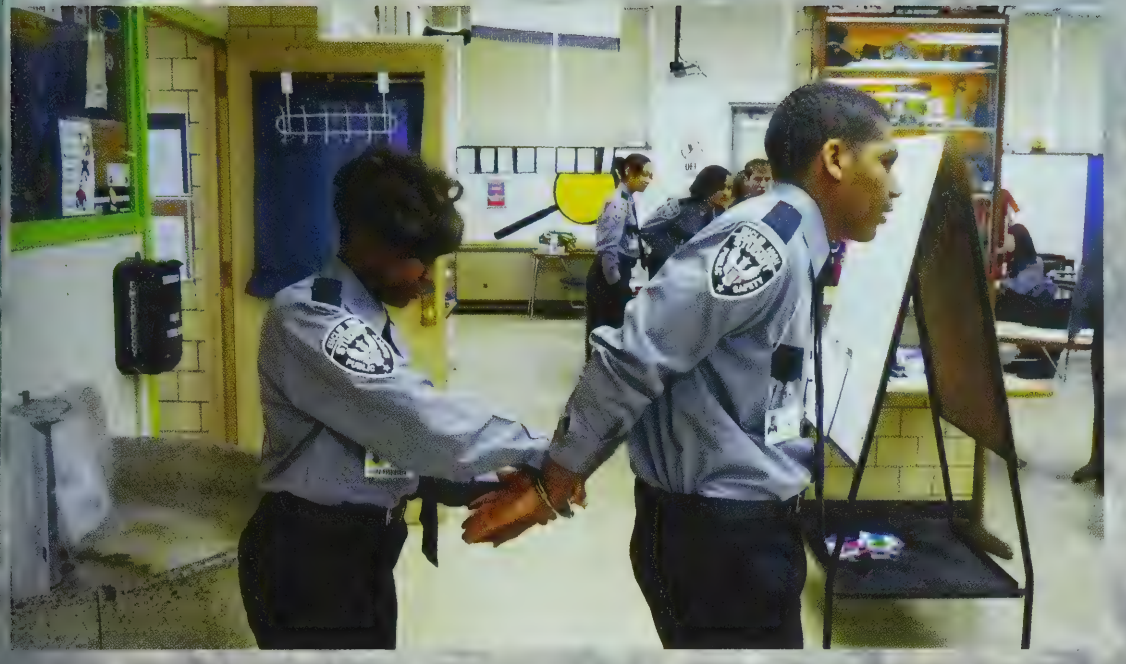

In the many Career Tech programs offered, students prepared themselves for a career immediately after high school. In the Automotives program students learned the care and maintenance of an entire automobile. The Criminal Justice program prepared students for careers in law enforcement by teaching skills such as writing reports, first aid and patrolling grounds. The Culinary Arts taught students skills in food preparation, food safety and customer relations while running the Bistro. The programs were essential in leading students to successful careers after graduation.

Alexandria Thomas

After a long illness, Alexandria Thomas passed away in fall of 2009.

A junior at Euclid, Alexandria was a bright and positive member of the school community and will be missed by her classmates and teachers.

A Speech Dedicated to Alexandria Thomas
Written by EHS Senior Lemar Smith

"Be the change" means not being afraid to step out of the shadows and darkness. I feel that standing out and being different from our peers makes us special. There is always a purpose for everyone on Earth. We are not losers. We are not failures. We are beautiful, strong individuals in every way. A person is determined by the inside of their heart. We can be the change if we try and do something out of the ordinary. So all I ask is that you treasure all the people who love and care for you because tomorrow is not promised to anyone. It hurts me everyday to see how people treat one another. We are a family here and we need to be here for each other.

Valencia CLAYTOR

Valencia,

We can't believe how fast time has gone. It seems like only a couple of years ago you were walking to kindergarten in the afternoon and now you are walking in to the future of becoming our young lady whom we are very proud to have as a daughter.

Over the years your family and friends have watched you achieve your goals academically and have been much entertained by all your extracurricular activities which included-gymnastics, basketball, softball, bowling, art, church plays and choir, volleyball and cheerleading. You've done a little of it all, which we feel has made you a well-rounded individual.

May you continue to put God first in everything you do and remember, "What we are is God's gift to us and what we become is our gift to God."

Congratulations!

Love,
Mom and Dad

Katie PYMN

Miss Katie,

You are my hero! All the things you have accomplished in your life make me very proud! I have loved watching the little girl that you were grow in to the young lady that you are today. As much as I would love to keep you close to home, I have to share the wonderful person that you are with the rest of the world. Everybody needs a little Katie time! Gregory will miss his little sister as much as I will miss you, probably more! Before you leave for college, can you teach me how to cook and clean?

I love you KTP!

Talesha BANKS

Dear Talesha,

We are so very proud of you. You've come a long way, went against odds, and you didn't let anything stand in your way.

Continue to keep God first, be a loving mom, and a positive, bright young lady and it will take you to the top. Never settle for less, have faith and you'll be blessed.

Love and blessings,
Samira, Mommy and

Dear Steven,
It has been such a joy watching you grow into the fine man you have become. You have accomplished so much in your life so far-NHS, Academic Challenge and your Eagle Scout rank. You will be able to accomplish anything you desire if you are willing to work for it. We look forward to seeing you off to college and we know you will excel there and go on to have a wonderful career.

Kelsey,
Life has many steps. When you are little you take
your first step. You may fall, but you get right back
up. As you continue your journey through
adolescence you take many steps to make you the
young adult you are today. You have now taken the
big step toward continuing your education, making
your own decisions and pursuing your dreams. We
are very proud of you and love you. Good luck and
remember we are always here for you.

I've watched you grow from a boy to a
handsome young man. It's official-Devonte
Thomas, I'm your #1 fan. And soon you will be
grown and take on this world on your own. Just
remember-you're blessed and never alone.
You keep a smile and never let anything bring
you down. No one believes in you more than I
do. So please always remember that Mommy
loves you.

**Devonte

Dear LaReshea,

I am writing to let you know that I
am very proud of you. You are
always going out of your way to
make people welcome in class, at
church and family gatherings. You
help people no matter what it is or
who it is. I want you to carry this
attitude all through life and, believe
me, people will respect you for
who you are. No matter what you
may go through in life, always
remember God will get you
through it.

**LaReshea

To my daughter, my world, my best friend,
I remember those days when I had to make pancakes for you everyday. Now you're off to college and cooking for yourself (OMG!). I have been so proud of you since 11-15-91. Now on 6-10-10 you will start another chapter of your life. Reach for the stars because you will always be mine. Just remember "the world is yours, we are just living in it." No matter how old you are you will always be my "Nana Pana."

Love always, Mommy

P.S. Mash potatoes and love is like ribs.

Ebonique, From the time you were born you were a blessing to me. From your first steps that kept me running behind you to catching you from falling. Guess what? You never did fall. What I am saying is that I love you and am very proud of you.
